LACE CURTAINS—GEO. M. SNOOK & CO.

IT'S Just Barely Possible that some stores may be selling
LACE CURTAINS

As cheaply as we are, but upon this point, there exists in our mind, a very full-sized doubt. WE KNOW that the line of Curtains just placed on sale are cheap, and we also want you to become cognizant of this fact. They are not from "fire" or "bankrupt" sales, nor yet from "overstocked" makers; neither are the styles passe, another value-eliminating condition. On the contrary, there never was a time when prices on choice desirable Curtains ruled so low.

WE SELL...	\$2.00 Curtains at 1.58	\$3.75 Curtains at 2.95
	2.25 Curtains at 1.79	4.00 Curtains at 3.27
	2.50 Curtains at 1.98	5.00 Curtains at 3.95
	3.50 Curtains at 2.67	6.00 Curtains at 4.83

We have Lace Curtains as low as 59c a pair. Quite a number of soiled Curtains and odd pairs and half pairs will be closed regardless of value. All Fine Irish Point Curtains at remarkable reductions.

Council Committee Meetings.
Chairman Dobbins has called a meeting of the council committee on ordinances for this evening to consider the pure food ordinance and the slot machine matter. The committee on finance has also been called to meet.

Workman Injured.
Tuesday night at the Riverside plate mill, in Benwood, Clayton Rogers, a workman employed there, was painfully injured by a spark of red hot iron, which struck him in the left eye. Dr. Haskins attended to the injury, and the man was sent to his home on Thirtieth street, this city.

Going to Huntington.
The works of the Huntington Glass Company at Central City will go on with a big force of men next Monday morning, and already a number of Wheeling and Martin's Ferry glassworkers have left for the second city to take jobs there. More will follow the latter part of this week.

The Summer Cars.
Down at the Forty-eighth street barns of the Wheeling Railway Company a force of men, under Car Superintendent Tucker, are at work night and day getting the summer cars ready for service, and they are put on the line as fast as completed. The seven open cars ordered from the Barney works, at Dayton, Ohio, will probably be here about the 5th of next month.

Schumann Quartette.
The Schumann Lady Quartette, of Chicago, will give a concert at the Young Men's Christian Association next Tuesday evening. This splendid organization is declared by the most competent musicians and musical critics to be the finest lady quartette in the west. The finished and artistic character of their work is the result of the long association, as a quartette, of four beautiful and finely cultivated voices.

A Coin Social.
On Saturday evening of this week the sewing circle of the Wesley M. E. church, South Side, will give a "coin" social, something new here. Invitations are sent out with little pouches attached, into which the recipient of the invitation must put as many cents or dimes as he is years of age. Most of those receiving invitations will no doubt use the copper penny. The social will take place in the lecture room at the church, on Jacob street.

Ernst-Younginger.
At the residence of Rev. Dr. Schwarm, of the English Lutheran church, last evening, that minister performed the ceremony which united in marriage Mr. P. J. Ernst, of Clarksburg, and Miss Mary Younginger, of this city. A brother of the groom and a sister of the bride were the attendants. Mr. and Mrs. Ernst will reside at Clarksburg.

Dittmar-Taylor.
A beautiful marriage ceremony was solemnized at the parsonage of the M. E. church in Kirkwood last night at 8 o'clock, Rev. C. B. Hawthorne officiating. The contracting parties were Mr. Albert Dittmar, of Wheeling, and Miss Jamie Taylor, of West Bridgeport. Miss Carrie May Taylor was bridesmaid and Mr. Charles Martin Dittmar best man. After the ceremony a wedding luncheon was served to the near relatives of the newly married couple at their new home on the Island.

To-Night's Skating Party.
The skating party for the benefit of the City Hospital, to be given under the auspices of the Women's Hospital Association at the North End rink, bids fair to be a phenomenal success. It comes off this evening. There will be good music and other attractive features, and the admission will be only 50 cents. All this goes to the hospital treasury, the Messrs. Lutz have generously donated the use of the rink, skates and the necessary attendants. The proceeds should be large.

In the Circuit Court.
In Judge Paul's court yesterday, in the case of Oliver Farbett vs. Dr. T. M. Haskins a verdict was rendered for the plaintiff in the sum of \$105, which the defendant moved to get aside.

In the case of Crawford McCracken vs. the city of Wheeling, for damages for the killing of a horse on South Jacob street, the evidence for the plaintiff was excluded and judgment entered for the city.

Judgment was entered for the plaintiff in the case of Charles Broadway Raoness vs. John C. and Clarence Wilson for \$630.60.

In Judge Campbell's court the case of Rees, by his next friend, vs. the Wheeling & Elm Grove railway, again occupied the whole day's session. A motion to exclude the plaintiff's testimony was overruled.

The Evolution
Of medicinal agents is gradually relegating the old-time herbs, pills, draughts and vegetable extracts to the rear and bringing into general use the pleasant and effective liquid laxative, Syrup of Figs. To get the true remedy see that it is manufactured by the California Fig Syrup Co. only. For sale by all leading druggists.

A FINE BEGINNING.
The German American Savings and Loan Association Makes a Hit.

The announcement of the organization of the German American Savings and Loan Association to operate in West Virginia and Western Pennsylvania has created unusual interest. The office of the association will not be open for a day or two, but the directors were plying with questions concerning the plan of operation, and many shares were taken yesterday.

Mr. George Hook, the first vice president, said to an INTELLIGENCER reporter: "The German American is based on the highest development of the old building and loan idea. We are not confined to any one locality, which gives us a broader field than a purely local association can have, gives wider scope for loans and the choice of the best real estate securities."

"We have installment stock, payable monthly 50 cents a share, or weekly 12 1/2 cents a share. When this stock matures, which will be in about eight years, the holder receives \$100. If the stock does not mature in that time the holder may have the matured value, which is all he has paid in and his share of the profits, which you know increase rapidly towards the end. If, however, the holder wishes to leave his money in the association until it matures to \$100 on the share, he may do so without paying in any more. We have two other classes of stock, one on which \$50 is paid in on each share and never any more. On this we pay 6 percent per annum, payable every six months. When this stock matures the association pays \$100 for each share of it. Another class of stock is sold at \$100 a share, on which we pay 8 percent per annum, payable every six months. This stock does not participate in the profits."

"The plan rests on mathematical calculations and is entirely scientific. We have with us careful, experienced, conservative men, and we shall conduct the association on the strictest business principles. As soon as we get our office open it will remain open every day in the week, and perhaps one or two evenings in the week."

HE WAS BURNED TO DEATH.

Ollie Berry, Formerly of Wheeling, Dies in Texas.

Charles W. Hobbs, of San Angelo, Texas, formerly of Wheeling, writes home to his parents here, and sends newspapers, giving accounts of the burning to death of his cousin, Ollie Berry, also formerly of this city. The old Concho house, in San Angelo, caught fire. Berry was one of the boarders, and got out of his room in safety, but in his excitement went down the wrong stairs and got into the fire. He had but recently gone to town from his ranch, and was waiting at the hotel for his wife to join him. When she arrived she found him dead, his body so badly burned as to be unrecognizable. John Berry, a brother of Menardville, Texas, also reached the place soon after the horrible accident. Several other boarders had narrow escapes from Berry's fate.

Will go to Weston.

Philip Crossen was again taken to Moundsville from Benwood and placed in jail for insanity on Tuesday by Constable Sprout. Some months ago he was taken there on the same account, but was released, his case not being thought bad. Papers have been sent on for his admission to the Weston asylum. Drink seems to be the cause of his boisterousness. He has a wife in Behwood.

K. of P. Picnic.

J. W. Mather division, Uniform Rank K. of P. of Benwood, will give a grand out-of-door picnic at Mozart Park, this city, on Saturday, May 12, which is one of the first of the present season, and is expected to prove a great success. The committee in charge is composed of Capt. Paul Riedel, Richard Watson and Charles Rider.

On to Parkersburg.

It is now estimated that at least seventy of the local G. A. R. veterans will go to the West Virginia state encampment which takes place at Parkersburg on the 25th and 26th of this month. It is thought the effort to bring the 1895 encampment to Wheeling will prove successful.

PRICES THAT TALK—THE HUB CLOTHIERS.

PRICES THAT TALK!

DON'T listen to all the tales of woe that are filling the air, pitched on different keys. There's a snake in the grass somewhere, you may be sure, but if you go to the dance you must expect to pay the piper. Put your faith in our good, reliable Clothes that are marked just what they are worth. We never burn the midnight oil fixing prices.

The suits in our \$10 grade are suggestive of a higher price. They would be marked \$12 or \$15 in any other house. We've filled up fresh with a variety of these Suits. Reliable, if they are cheap. It will take more than one doctoring of the price to meet us on even ground. There are all styles and patterns.

It's as plain as day if we put the usual \$15 quality into our \$10 line, we must turn still better values into this grade, and we do it. It keeps us about \$5 under all competition. Everything about them is perfection itself. The fabric, the finish, the style. They are beauties for business wear, gems for dress. Quality unalloyed in all of them. Nobody can Beat Them!

There's no doubt about it. Ours is the best Clothing in the city. It is worn by the best dressers. We take pains to see that it is perfect to the minutest detail, and with every Suit we voluntarily give our guarantee. With us that means Unconditional Satisfaction or your money back.

You ought to see our line of CHILDREN'S SHORT PANTS, SUITS at \$2.75 and \$3.48. Two dollars more won't buy a bit better Suit anywhere else.

SHOES—O'KANE & CO.

Not for Our Health.

We're not in "business for our health." We don't sell shoes at cost. Our low prices come from two things: We know how to buy right and we are willing to get rich slowly. It isn't what we make on one pair of shoes that we look at so much as to the profit we'll make on your regular trade. That's what we want. It will pay us and pay you too. Ask to see our Ladies' Shoes at \$2.00 and \$2.75. They "speak louder than ads."
